

Stung!
The men have fought and fought and fought.
For skittish bathing suits;
They said, "Folks, do we want 'em?"
Why you can't bat your boots."
And now the women of Detroit
Want big iron fences set
round the women's bathing beach.
That's all the thanks we get.

ALL SCHOOLS ARE AFFECTED.

Frankfort, Ky., May 11.—All city schools in the State are included in the adoption of text books for the next five years, to be made next month by the State commissioner, according to opinion handed down by Judge Stout in Franklin Circuit Court. The law extended cities of the first four classes, in a suit brought to construe the Judge Stout held the exception in and said the State should adopt books for all the schools.

PTISTS ARE TO BE WELL REPRESENTED.

Kentucky will have a big representation at the Southern Baptist convention to be held this week in Nashville. Kentucky is entitled to a delegation of \$250 contributed to the cause during the past season and Kentucky, according to the report of Dr. W. D. Powell, corresponding secretary of the mission board, has oversubscribed by about \$5,000 her apportionment and raised \$6,000 to help pay a deficit caused by the failure of Georgia and Texas to come up to the amounts apportioned to them.

Among Kentucky delegates to the convention will be: Dr. Powell, Rev. E. Y. Mullins, Rev. W. W. Landrum, Rev. W. O. Carver, Rev. R. H. Demott, Rev. J. R. Samper, Rev. A. S. Paul Bagby, Rev. J. S. Cannon, Rev. W. G. Emerson, Rev. M. P. Hunt, Col. Thomas D. Osborne, G. E. Hayes, Judge J. J. Gentry, B. Presley Smith, Prof. E. D. Perkins, Rev. J. N. Buford, J. T. Humphries, Frank Miller, Dr. S. SOME SNAKE STORY.

(Mt. Olivet Advance.)
Oscar Dennis, a tenant on the farm of Grant Workman, near Pinhook, while plowing a few days ago, discovered a young turkey, which his wife had placed over a setting of eggs, in mortal combat with a large black snake. The snake coiled itself around the turkey and was in the act of devouring the head and neck when Dennis came to the rescue. With a club he beat the snake from the big bird and to his surprise discovered a white door knob imbedded in the snake's stomach. The snake measured seven feet from head to tip of tail and showed much fight when Dennis attempted to release him from the turkey.

Several theories are advanced as to how the door knob came to be in the snake's stomach, the most reasonable being that the reptile had swallowed the knob, thinking it was an egg. Again it might be said that this is a new way of beating the high cost of living.

NEVER SUSPECTED KIDNEY TROUBLE

Gained Fifty Pounds in Weight.

Some time ago I was suffering from what I supposed was rheumatism. I became so bad that I could hardly get on my feet from a sitting position. I ran down in weight from 195 to 145 pounds. I tried different kinds of medicine but received little or no help. I saw Dr. Kilmer's Swamp-Root highly recommended for kidney trouble but I never had any idea that my kidneys were affected. I thought I would try a fifty-cent bottle of Swamp-Root and see what the effect would be. I commenced taking it according to directions and in a few days I saw that it was helping me. I used the fifty-cent bottle and then bought three more dollar bottles and they completely cured me. I have gone back to my original weight—195 pounds—and I am a thorough advocate of Dr. Kilmer's Swamp-Root as I believe it to be a remarkable preparation for what it is recommended to do.

WILLIAM H. PARTCH,

New Haven, Vt.
Personally appeared before me the 4th day of September, 1919, Wm. H. Partch, who subscribed the above statement and made oath that the same is true in substance and in fact.

SPRINGDALE

Mrs. Lulu Bane of Orangeburg is teaching a class in music here.

Mr. Charles R. Williams of East Limestone visited relatives here last week.

Mr. and Mrs. A. C. Casey motored over Wednesday P. M. and were pleasant callers at Maplewood and assisted in organizing the Parent-Teacher neighbors' Club at the school house in the evening.

Mr. Henry Clay Hord, the oldest living member of that prominent Kentucky family visited his old home near here last week after an absence of more than forty years. He is a son of the late Col. Thornton Hord and was born and raised on the old family homestead near Hebron, where his niece, Mrs. Emma Hord Drake now resides. Though nearing his three score and ten, Mr. Hord is still a handsome well preserved man, and is quietly resting on his oars, having acquired a competency through some fortunate investments while residing with his family in Texas. His five children are all grown, some of them married and all occupying prominent and useful vocations in life. He and his wife are now pleasantly located in Avondale, Ohio. He said a longing to see the old homestead took possession of him and he seemed to enjoy his visit greatly, though as he put it, "Few are left to know that played with us upon the green just forty years ago."

Mr. Ward Davenport, our efficient rural mail carrier for several years, has been put to much expense and a great deal of trouble during this time from horses running away and mail wagons broken up. A few weeks ago while driving a horse that had stood many tests, and he thought could be depended on for safety completely lost his head when meeting a speeding auto in a sharp curve, and he experienced the worst runaway ever. The horse, a valuable one, was hurt, the wagon almost new, was ruined, and Mr. Davenport was very severely hurt.

He soon decided that he could not afford such risks, so he purchased an auto and will henceforth deliver the mail with less expense to himself and greater safety and dispatch to the valuable matter. He also says he will strive to set an example for the same driving and proper warnings, so much neglected, yet so sadly needed on our winding, heavily shaded highways.

More Than Died in Battle.
Chicago.—The report of the coroner of Cook County states that suicides are increasing faster than the population and that 328 persons were killed with firearms in the county last year—"twenty more than our losses in battle during the Spanish-American war."

MAY PROVE FATAL
When Will Maysville People Learn the Importance of It?

Backache is only a simple thing at first; But if you find 'tis from the kidneys; That serious kidney troubles may follow; That dropsy or Bright's disease may be the fatal end; You will be glad to know the following experience.

"Is the statement of a Maysville citizen. Mrs. Della Lunsford, 328 E. Front St., Maysville, Ky., says: 'I attributed kidney trouble to a strain. I had sharp, shooting pains through my kidneys and dragging down feeling through my hips. I had dull headaches and dizzy spells and often if I had not caught hold of something for support, I would have fallen. I was in that condition for several years, up one week and in bed the next. I finally began to notice symptoms of dropsy and in a short time I was suffering from that trouble. My feet began to swell and my hands were at times the same way. At night I was restless and always felt tired. I read of a similar case being cured by Doan's Kidney Pills and I got a supply. Before long I was completely and permanently cured. Doan's Kidney Pills saved my life. I am glad to confirm my former endorsement of this remedy.' Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Lunsford had. Foster-McBarn Co., Props., Buffalo, N. Y."

FOR DELICATE CHILDREN

A Mother's Letter to Mothers.

Mrs. E. W. Cooper, of Bloomfield, N. J., says: "My child, seven years old, had a bad cold and was weak and quite run down in health. She had been in this condition for about six weeks when I began giving her Vinol. It was a wonderful help to the child, breaking up her cold quickly and building up her strength besides. I have also found Vinol a most excellent tonic for keeping up the children's strength during a siege of whooping cough."

Vinol is a wonderful combination of two world-famed tonics—the medicinal body building elements of cod liver oil and iron for the blood, therefore it is a perfectly safe medicine for children, because it is not a patent medicine, everything in it is printed on every package, so mothers may know what they are giving their little ones.

Therefore we ask every mother—weak, sickly or ailing child in the family—
